5.6 MILLION monthly

290,333 weekly

48,389 daily

6,049 hourly

756 every minute

22,000 visitors a day

9.9 MILLION OE parts in virtual network monthly

\$1.1 BILLION ecommerce transactions

The system

The screenshot shows the OEC D2DLink console interface. It includes a search bar at the top right, a navigation menu with 'CONSOLE' and 'OVERVIEW', and several main sections: 'Locate' with a search box and 'Multi-part Locate' checkbox; 'D2D Express Opportunities' with a 'View All' and 'Refresh' button; 'My Orders' with a table of sales and purchases; 'Buy Opportunities' with a table of parts and discounts; and 'My Inventory' with a 'Download Inventory' button. Four green callout boxes (1-4) highlight specific features: 1. 'Automated selling opportunities for your discounted parts' pointing to the 'My Orders' section; 2. 'Automated system proactively locating your fast movers at a discount' pointing to the 'Buy Opportunities' table; 3. 'Quick visibility to make better stocking decisions' pointing to the 'Download Inventory' button; 4. 'Access to the freshest inventory in the industry' pointing to the 'My Inventory' section.

1. Automated selling opportunities for your discounted parts
2. Automated system proactively locating your fast movers at a discount
3. Quick visibility to make better stocking decisions
4. Access to the freshest inventory in the industry
